The Guiding Light

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

MATT. 5:16

Jacksonville Baptist College

C. R. MEADOWS

As an expression of our love and appreciation for his interest and support of Jacksonville College, for his service as president of the school, and for his sixteen years of faithful service as pastor of the First Baptist Church, the 1953 Annual Staff wishes to dedicate this edition of the GUIDING LIGHT to our Vice President, Bro. C. R. Meadows.

Foreword

With the closing of this school year comes the separation of many friends, students and teachers. But the molding of ideals and aspirations will not be forgotten.

Days once past can never come again, but memories preserved in this book will live forever.

It is our desire that the 1952-53 edition of the GUIDING LIGHT will do just this. We hope that each student will feel that this is his annual.

President's Message

"FIFTY THREE YEARS OF SERVICE TO MISSIONARY BAPTISTS."

This is the record of Jacksonville College. These fifty three years have been good years for our school. Hundreds of young men and women have been blessed by the ministry of Jacksonville College. Around the world there are those who gladly sing the praises of the school that is different.

In all the years Jacksonville College has never had a finer student body than the present one. Young men and women on our campus have come from several different states. They represent a high type of personality. It is a pleasure to be associated with such a noble group. It is a joy to observe the vigor and enthusiasm of youth on our campus.

We rejoiced last year because of the new Library Building which was made possible by the liberality of W. J. Weatherby. This year our hearts are made glad because of the "face lifting" job that is taking place on the Old Administration Building. This grand old building has been bravely standing in the center of our campus since 1899.

We are also rejoicing in the renewed interest among the churches of the Baptist Missionary Association toward Jacksonville College. Indeed, a new day has dawned for our school.

The Guiding Light Staff is to be complimented for the untiring work that is being done toward this year's annual. It is my hope that this will be the best annual presented to the public by our student body.

May God's richest blessings rest upon our school, the administration, faculty, and student body. Yours for a greater Jacksonville College.

C. E. BANKS—Coach

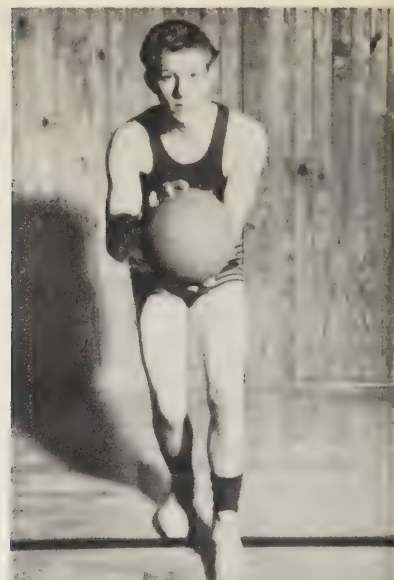

The 1952-53 basketball team deserves the admiration and thanks of the entire student body of J.B.C. Despite the fact that very little encouragement and support was given the team they were faithful in their practice and hustled in their games. Several men were lost during the course of the season. A schedule was played with principally independent teams.

"I desire to express my appreciation to each of the team members for their cooperation and participation in making our season what it was. Your school spirit was much better than that of most of the student body."

SOMETHING TO CHEER ABOUT!

When there was anything to cheer about you can depend on these three to be there. The 1953 cheerleaders are from left to right: Carolyn Jones, Lorene Coleman, and Jo Ussery.

*Yea Purple! Yea Gold!
Come on Jaguars!
Let's go!*

BULLSEYE!

This sure hits the spot! One of the most popular physical education activities was archery.

Beatrice Willey, Mary Jane Strong, and Dorothy Robertson show how it's done.

LOVE GAME!

Another favorite sort for all was Ping-Pong. The ping-pong room in the gym was a busy place all year.

Margaret Broussard, Mary Sipes, and Martha Jones show how its done with ball and racquet.

BASKETBALL

The winter sport that kept the girls busy was the old peach-basket game called basketball.

Here a game gets underway with a jump ball in the center circle.

With encouragement from the side lines and whistle blasts from the referee several hotly contested games were played during the girls' physical education classes.

VOLLEYBALL

A fall activity that was popular in the physical education program was volleyball.

This sport was enjoyed by both boys and girls with several closely contested games being played.

The girls re-enact a typical scene.

TENNIS

When school opens in the Fall, you can hear: "Ready?" "Serve." "Five love."

Lorene, Jo, and Carolyn display the techniques of "lawn" tennis.

INTRAMURAL FOOTBALL CHAMPS

Coach C. E. Banks is shown awarding individual trophies to the undefeated intramural touch football team composed of Captain David Morgan, Austin Stedman, Benny Goss, George Threadgill, and Raymond Schalchlin. Not shown are Len E. Gibson and Lawrence Stewart.

PING-PONG CHAMPIONS

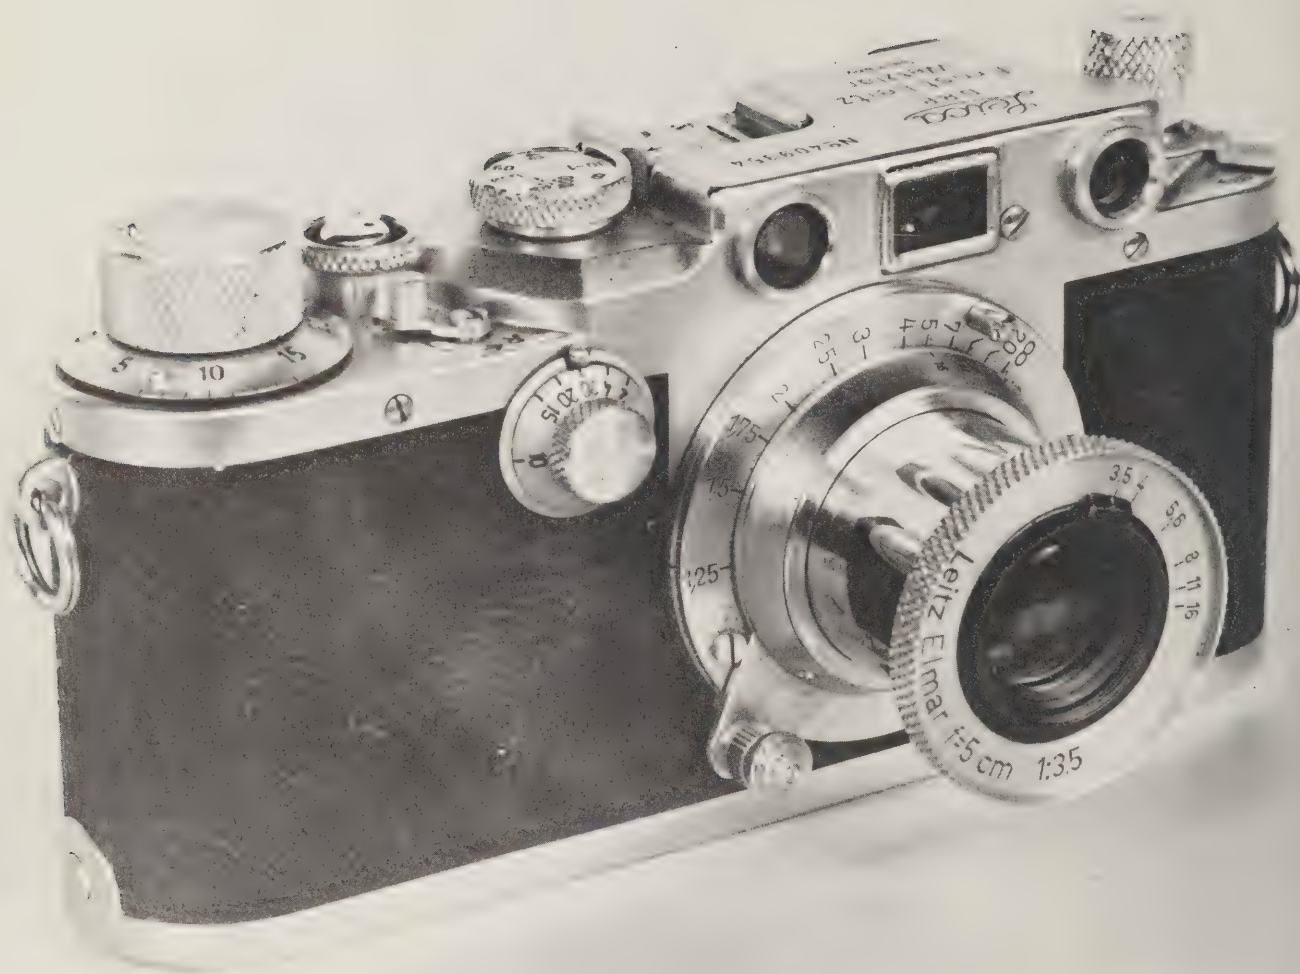

In the Fall Ping-Pong tournament Val Hinkle was champion in the consolation bracket; Austin Stedman was runner-up to the champion; and Milton Wright was the school champ. They are pictured here left to right.

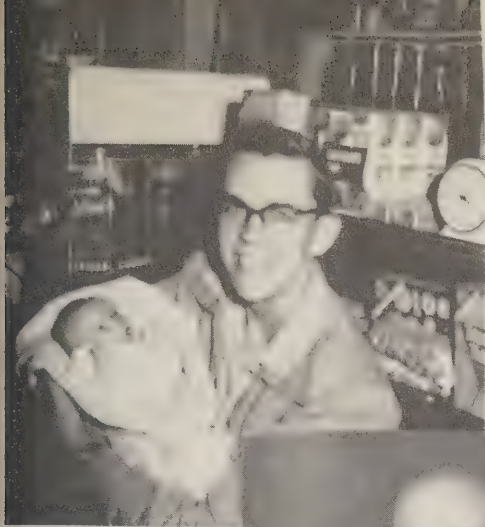

BASKETBALL IN P.E.

These are some of the stalwarts who dared to step on the floor for a friendly game of basketball during the physical education classes for men.

It looks like it might be easy to make one from up here!
